*Wine can only be sold directly to customers in states that have passed reciprocal shipping legislation, and further restrictions and limitations may apply. Please contact your state's alcohol regulatory department for current laws and regulations on purchasing and importing wine into your state. When wine is sold, the title of goods passes to the buyer within the State of California. Alysian Wines makes no representation as to the legal rights of the buyer to ship or import wine into any state outside of California. The buyer is solely responsible for the shipment of wine. By placing an order, the buyer authorizes the winery to act on the buyer's behalf to engage a common carrier for delivery to the buyer's destination and to charge credit card as provided. When delivery of alcoholic beverages is made, the person receiving the shipment must show identification to the common carrier as proof of age 21 or older before receipt of goods. It is recommended that, to minimize risk of damaged goods or minors receiving shipments, deliveries be made to a business address.*

*Must be 21 years of age to purchase and receive shipments of wine. In submitting an order the buyer is representing to the winery that the buyer is at least 21 years old. False representation of age by a buyer or person receiving shipments will be referred to local law enforcement agencies for prosecution.*

*The buyer understands that, upon submission of their credit card information, their credit card will be billed for the cost of the wine and/or specified products, and any applicable taxes, delivery, and handling charges corresponding to buyer authorized orders.*

*Shipping will occur as weather permits – we try and ship on Monday and Tuesday's only – please contact us with special requests.*
